 Re: **Carper for Senate**
FEC Identification Number: C00349217

Dear Sir or Madam:

Please accept this letter as the reply of *Carper for Senate* (the "Committee") to the June 4, 2002 letter issued by Pat Sheppard, Assistant Branch Chief, Reports Analysis Division, Federal Election Commission regarding the Committee's Year End Report (the "Report").

Ms. Sheppard's letter indicates that the Column B figures for the Summary and Detailed Summary Page do not disclose election cycle to date activity. Due to a computer programming error, the Committee has discovered that its Column B figures for Lines 6(b), 12, 20(a) and 20(d) are slightly inaccurate. The Committee is working with its computer programmers in an effort to correct the problem. As soon as the programming problem is corrected, an amended report will be filed. In the interim, the correct numbers are set forth below:

Line 6(b)	\$15,950.00
Line 12	\$ 4,020.97
Line 20(a)	\$ 6,950.00
Line 20(d)	\$15,950.00

Ms. Sheppard's letter also questioned several contributions as possibly exceeding the limits established by the Act. Mr. Cohn's November 19, 2001 contribution did exceed the Act, and was, therefore, refunded to him on January 30, 2002. The contribution was mistakenly accepted during a period of change-over of the Committee's administrative assistant. The refund was issued on January 30, 2002 and identified on the Year-End Report as a memo entry and will be reported on the Committee's Mid-Year Report (Line 20(a)), to be filed next month. The Eli Lilly & Company PAC contribution dated 12/26/2001 was excessive and the Committee timely sent out a redesignation request. The redesignation was not received and a refund check has been issued, albeit outside the sixty-day period. This refund, as with Mr. Cohn's, will be listed in the Mid-Year Report (Line 20(d)), filed next month. Pursuant to Ms. Sheppard's request, enclosed herewith are copies of the relevant refund checks and/or redesignation forms.

A Senator for Delaware's Future!
